MEMORANDUM FOR: Vice Chairman, National Intelligence Council
FROM: Director of Central Intelligence
SUBJECT: Draft SNIE 36.11/9-84: South Yemen-USSR:
Outlook for the Relationship, dated 13 February 1984

These recommendations from the Senior Review Panel should certainly be implemented. There is no reason not to reflect the source of non-Communist economic assistance, the importance of relationships with Saudi Arabia, Oman and North Yemen, and the alternative scenarios in the Key Judgments which is what policymakers are likely to read. Not to do this would seem to be a serious omission.
